## 1 THE MBM CLUB

MINI BOLIDE MONTPELIERAIN (MBM) association was created in 1984 to promote new hobby and to involve parents and their children.

Since 2003, under new President Frank Caizergues leadership, volunteers have implementing amazing resources organizing one of the biggest race.

The association composes only of volunteers who through their determination, success in organizing the largest RC model world race over the years. Thus, each participant or spectator can see what is best in the world of RC buggy.

Since 1998 we organized in February the GP Montpellier NITRO with more than 180 drivers from all around the world during 3 days. In 2022 we organize the first ELECTRO GP with 140 drivers.
